## Message from Chairperson, Organizing Committee

Dear Rotarians, Rotaractors, Interactors, Earlyactors, Friends and Family!

With gratitude, I extend my warmest greetings to all our readers through this esteemed publication. As the Chairperson of the organizing committee for the Undecennial Presidential Installation of Rc Bwebajja, I am honored to share this event with you when our club is embarking on a new decade of action and service to humanity.

Organizing this event has been a journey of dedication, collaboration, and passion. Our team has worked tirelessly to ensure that every detail reflects the spirit of excellence and commitment that we cherish. We are proud to bring together distinguished guests, corporate partners, and sponsors whose attendance will undoubtedly leave a lasting impact.

My prayer is that this installation serves as a platform for learning, networking, and celebrating

achievements across the Rotary Fraternity. It is our sincere hope that each guest finds value, inspiration, and new opportunities during this gathering.

On behalf of the entire organizing Committee, I would like to extend my heartfelt thanks to our Chief Guest, all our sponsors, volunteers, speakers, and attendees, whose support and enthusiasm have been vital to the success of this event. Your commitment pushes us to do greater things.

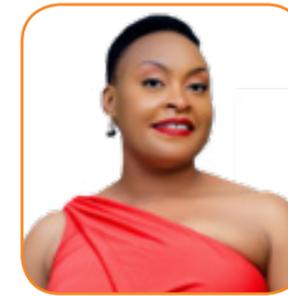

Please enjoy the proceedings, and I look forward to seeing you at future events. Together, One Act at a Time, we unite for Good as we serve Humanity.

Warm regards,  
**Rtn. Nabakadde Sylvia (PE)**

## Vision and Goals

**Mário César Martins de Camargo**  
**RI President 2025/26**  
**Served on RI Board: 2019–2021**  
**Rotary Club: Santo André Rotary Club**  
**Location: São Paulo, Brazil**

### Vision and Goals for Rotary

1. Stress Sustainable Membership Growth as the #1 Corporate Priority: Develop a 5-year plan for sustainable growth in each region, including timelines, targets, and assigned responsibilities. Learn from successful competitors and other NGOs. Board, coordinator, and governor meetings should prioritize membership. Negotiate regional objectives proactively with zone leaders. Analyze data to understand zone trends and history, highlight success stories, and outline a roadmap to achieve results.
2. Increase Partnerships of All Sorts: Seek partnerships for funding (e.g., the next Gates Foundation), for large-scale projects utilizing matching funds, and for membership growth (e.g., trade, industry, and professional associations). Showcase Polio as a successful, replicable case. Leverage Rotary's credibility as an asset more intensively.
3. Emphasize Diversity: Promote the need to diversify to align with community and business trends. Keep pace with changes in the "outside" world where prospective Rotarians and partners are. Continue female empowerment initiatives and bridge the gap with younger generations through youth programs, which offer engagement opportunities. Clarify misconceptions about diversity.
4. Improve the Merit System for Appointments and Governance: Adopt a transparent system for appointing volunteers, based on criteria, performance, results, data, and evaluations. Align with ESG practices, including environmental issues (TRF's 7th Area of Focus), social responsibility, and modern governance practices. Potential funding partners will value this vision. Promote creative club models emphasizing service, such as satellite clubs. Streamline decision-making by reducing governance layers.
5. Boost Public Image, Starting from the Top Down: Rotary faces strong competition for members and funds. Rejuvenate the brand, especially in certain zones. Utilize post-pandemic meeting tools to enhance the president's global presence and connect with grassroots Rotarians. Personally engage with political, community, and business leaders to develop long-term partnerships. Advertise Rotary's greatest asset: 1.4 million volunteers.

# Message from District Governor-Elect

us be inspired by the impact we create in our communities. Our Rotary International President, Mário César Martins de Camargo, has invited us to "Create Hope in the World." I believe that "together, one act at a time", we can turn this presidential message into a reality.

Rotary has always been a movement of change-makers, and I have no doubt that under your leadership, your clubs will continue to transform lives, grow stronger, and create lasting legacies. I encourage you to lead with vision, serve with passion, and inspire with integrity.

We have set ambitious targets for this year, and I want to emphasize that our success depends on each and every one of us. Whether it's inviting new members, starting new clubs, supporting The Rotary Foundation, empowering our Rotaractors, or uplifting one another's businesses, every effort counts. When we come together for the 101st District Conference and Assembly, these will be the milestones we celebrate together.

**D**ear Rotarians, Rotaractors, and Friends,  
 It is with immense joy and gratitude that I extend my heartfelt congratulations to all club leaders, members, and well-wishers as we celebrate another milestone in our Rotary journey. Each installation marks a new chapter—an opportunity to build on past successes, embrace fresh ideas, and reaffirm our commitment to Service Above Self.

I would like to extend my sincere appreciation to our irresistible Magic leaders, led by District Governor Agnes Mungati Batengas. We thank them for their efforts in strengthening our district, setting a solid foundation that we will continue to build upon. We strongly believe in continuity, and it is my sincere hope that we will keep working together to grow District 9214 even bigger and better.

As we embark on this new Rotary year, let

As your incoming District Governor for 2025/26, I look forward to working alongside you to amplify Rotary's impact and expand our reach across District 9214. Let us support one another, collaborate more, and bring out the best in our communities.

To the new club leaders—congratulations on this well-deserved honor! Lead with purpose, build strong teams, and most importantly, enjoy the journey. To the entire Rotary family, thank you for your dedication, generosity, and unwavering commitment to making a difference. Let's make this year extraordinary—one act at a time!

Yours in Rotary Service,  
**Christine Kyeyune Kawooya**

# Message from Out Going Assistant Governor

“...I will forever treasure the many life-time friends that I had in this club even before serving as the club's Assistant Governor...

is so proud of our club and shall continue benchmarking this winning DNA to strengthen other clubs.

I wish to specifically thank Governor Agnes Batengas for providing me with the opportunity to serve as Assistant Governor. Secondly, RC Bwebajja thank you for your membership extension strategy .

You have delivered both Internal and external membership growth. Thank you for the **“bouncing” Rotary club of Bwebajja Midcity** , Furthermore thank you for the Service projects, your contribution to the Rotary Foundation and for grooming District leaders that are serving beyond the club.

This is the pedigree which I am passing on to my Incoming friend and colleague, Rtn Yusuf Kigoye. Always to align our club activities with the RI and District targets.

I will forever treasure the many life-time friends that I had in this club even before serving as the club's Assistant Governor. And indeed, I have made many more during my tour of duty. I am looking forward to many more opportunities of working with RC Bwebajja and welcome Action President Rtn Hassan Nyenje and your entire board to spread the Magic of Rotary as we **“Unite for Good - One Act at a Time”**

Yours in Rotary Service,

**Rtn. George William Musiitwa  
Out Going Assitant Governor  
2024-2025**

I am exceptionally happy for Action President Rtn. Hassan Nyenje for accepting to be counted among a team of exemplary and respectable presidents that have steered this mighty club over the years. From our Charter president Gordians to our Decade President Andrew RC Bwebajja has answered the call of Serving humanity across all directorates, and we are still counting.

It has been a personal honour to work with and continuously be surrounded by such deep routed positive energy. The entire D9214

**C**ongratulations RC Bwebajja for a yet another great year of Rotary Service. Thank you President Andrew Ssenabulya and your entire Board . I am overjoyed with the Teamwork in this club which is the Bedrock of consistent club excellence that this club has delivered , Rotary Year in and Year out.

# Message from In-Coming AG

# The Deacon of Excellence - Bwebajja

“ In my time as a Rotarian, I have seen the Rotary Club of Bwebajja not just as a thriving club but as a benchmark in all aspects from Community Service, Youth involvement, the Rotary Foundation among others....

To President Ssenabulya and the outgoing team, you have done a remarkable job and your leadership has been worthwhile. We shall always count on your wise counsel for us to steward this club forward.

The outgoing Assistant Governor Musiitwa has been a great force to reckon with and he has helped guide the path of this club and because of the guidance and mentorship he offered in combination with his exquisite persona, he emerged the Assistant Governor of the Year.

I would like to thank The 102 members who entrusted Rtn. Nyenje with this life changing leadership role and I believe it will be a worthwhile opportunity and we with his leadership acumen. On a special note, I would like to congratulate President Nyenje and the board on this appointment, **“We shall make sure, we don't come to the end of the era!”**

In December 2023, I received a call from PDG Francisco to serve as the Rotary Youth Leadership Awards (RYLA) and the first name of that came to my mind was Rtn. Hajji Hassan Nyenje with his enthusiasm and calm demeanour we were able to pull of one of the most remarkable events in Kalangala where he was my Vice Chair and later the proceeding

year, I was reappointed as the RYLA chair for RYLA 2025 and because of his great track record, I recalled him to be my Vice Chair again and we have forged a great relationship. I have no doubt in my mind the nature of leader he is and the scope of great things that we could do together and with at the helm of this mighty club. We can only do better.

District Governor Christine has tasked us to grow our District membership by 1000 members and this is possible through our collaborative efforts by each members doing part of their share of bringing others and also creating new clubs. She has also encouraged us to increase our giving to the Foundation. My faith is strong and belief is steadfast that in the coming Rotary Year, we shall work together in great harmony to pursue and achieve great excellence because we the great track record of our “forefathers” we can only do better. And we with this optimism, I believe perhaps we shall carry the day in Munyonyo at the 101 District Conference and Assembly as **WE UNITE FOR GOOD, TOGETHER ONE ACT AT A TIME.**

Message from Out-Going President

# A Year of Service, Strength, and Success

As the Rotary Year 2024–2025 draws to a close, I stand deeply humbled and profoundly grateful for the extraordinary support I have received from our dedicated club members, esteemed honorary members, generous sponsors, and cherished friends of the Rotary Club of Bwebajja.

This year has been an enriching leadership experience, from the initial planning stages to the successful execution of projects and the establishment of lasting bonds. Our shared vision this year was clear: to create magic with every project completed, every dollar donated, every new member welcomed, and every community touched. And truly, we brought The Magic of Rotary to life.

Through our commitment to service, we implemented 22 impactful projects that created lasting change in both our local and extended communities. We proudly contributed over USD 20,000 to The Rotary Foundation, registered a record number of new Paul Harris Fellows (PHFs), exceeded our Polio Plus targets, and through our EREY contributions, distinguished ourselves as an all-giving club.

We experienced exceptional growth! With the help of a vibrant mentorship program, we welcomed 32 new members, achieving the highest membership increase in District 9214 this Rotary Year. This brought our total membership to 102, making us the second-largest club in the district. We were also proud to charter a new club—Rotary Club of Bwebajja Mid City—bringing more helping hands on

board. To foster member engagement, we used initiatives like home hospitalities, monthly fitness walks, buddy group gatherings, travel excursions, monthly member celebrations, among others, all of which enriched our club experience. We broadened the definition of project participation to include members' time, skills, resources, and in-kind support. This approach allowed us to track and achieve 100% member participation in club projects.

We continued to adapt and innovate by actively involving Rotaractors in buddy groups and partnering with our RAC Bwebajja on more than 90% of our projects. We have over 10 of our members as Honorary Members in our Rotaract club. All our members now have active My Rotary accounts, with four of them ranking among the top 10 e-learners in the entire district. At the 100th DCA in Dar-es-Salaam,

we scooped 15 prestigious awards—including the highly coveted President of the Year and Club of the Year accolades—crowning a year defined by dedication and teamwork. These honours are a true testament to all that we've achieved together.

None of these accomplishments would have been possible without the unwavering dedication of our club members. I extend my heartfelt appreciation to the Board of Directors and Club Officers, who worked tirelessly and often made personal sacrifices to ensure our set targets were not just met, but surpassed. I'm equally grateful to our honorary members for their guidance, encouragement, and support, both strategic and financial. Our corporate sponsors played a key role in helping us deliver on our targets, while the unwavering friendship of the Friends of Bwebajja kept us

grounded. The members of the Rotary Club of Bwebajja, your unwavering support has made this presidency a truly worthwhile journey.

To our incoming President: You have my full support. As you take the helm, know that we stand with you, through calm seas and turbulent waters, to keep the Bwebajja flag flying high.

And now, as we step into another year of service, may we carry forward our enduring commitment to the communities we serve, uniting for good, one act at a time!

Warm Regards,  
Andrew Ssennabulya

## Message from President Elect

“*...As we embark of a new Decade am honored to stand on the foundation laid by our past Presidents gallant men and women of steel and stamina...*”

I will for sure walk in that direction side by side to ensure we remain a club of relevance, attractive and appealing to members and prospects.

Our servant leadership will be pegged on the following 11 facets developed after a thorough soul searching, consultations, observations and evaluation of where we are coming from and where we want to go.

1. Support our club leaders; so that they can lead effectively and with confidence.
2. Making our meetings Enjoyable and in different formats.
3. Fostering a welcoming Environment where members and Guests feel comfortable
4. Develop Service projects that make a Difference in the community.
5. Creating opportunities for Members to Develop Meaningful Friendships and personal connections.
6. Work tirelessly to improve our process and stewardship.
7. We shall work on having an efficient Club that works for all.
8. Strengthen our Governance structure since we alive to the increased membership
9. We shall birth new Clubs in different formats

**T**hank you to the members of Rotary Club of Bwebajja for the trust and confidence in me as the 11th President of this great Club. Am truly honored and humbled of this immense opportunity.

As we embark of a new Decade am honored to stand on the foundation laid by our past Presidents gallant men and women of steel and stamina, who have worked tirelessly to build a strong and vibrant Club, doubled membership, done impactful projects ,innovated all to ensure we remain a force in the District and corridor.

10. Intentional to increase Global Grant Utilisation and focus on intentional TRF giving.
11. Innovate new ways to fundraise, new ways to give value to corporate partners, new ways to engage our biggest asset our members.

But all these can come fruition with your support as club members; my plea is let everyone do whatever it takes to contribute to the club success. **Let us not only ask what we leaders have done for the club but ask what you have individually**

**done for the Club.** What your actions, words, presence, time and giving add to you club.

Once again want to thank you and my Team members for the opportunity to serve in this elevated position, we promise detailed, Intentional servant leadership that will let Members of Rotary Club of Bwebajja be **WEAREBWEBAJJA.** For we know Together one Act at Time. Unite for Good. And take Action to community challenges.

Yours  
Rtn Hajji Hassan Nyenje

## From Mentorship to Membership: A Transformative Rotary Journey

Have you ever wondered what it truly means to be a Rotarian? For many of us, it's not just about the title; it's about the journey—one filled with personal growth, community service, and lasting friendships. As we proudly introduce ourselves as Rotarians, we celebrate the transformative experiences that shape us into effective leaders before we receive our pins.

In the mentorship class of the Rotary Club of Bwebajja, we dive deep into the essence of service above self. Under the guidance of the membership director, we are fortunate to learn from a remarkable group of mentors who are genuinely passionate about sharing their knowledge. Each session is a blend of

inspiration and empowerment, starting with the question: "Why are you here?" This introspective journey helps us understand our motivations and the impact we can have on our communities.

Our curriculum covers a wide array of topics, from the rich history of Rotary to the qualities that define an effective Rotarian. Each class feels like a new adventure, filled with stories and insights that resonate with our own experiences. Even those of us who have spent years in our vocations find ourselves learning something new and valuable. The wealth of information shared is not just academic; it's a lifeline for prospective Rotarians, reminding us of the importance of community and connection.

One of the most rewarding aspects of our mentorship program is the home and work visits organized by club leaders and fellow mentees. These visits create a warm and welcoming atmosphere, allowing us to forge genuine friendships. Many of us entered the program as strangers, but through shared experiences and heartfelt conversations, we've become a close-knit family. The laughter, stories, and support we share are what make this journey truly special.

When we reached the end of our four-month mentorship program, we celebrated a significant milestone. On July 11, 2024, 13 of us were inducted into the club! This achievement brought our total membership to 84, and the excitement at the event venue was palpable. Each new member brings their unique story and perspective, enriching our community and expanding our capacity to serve. It's a beautiful reminder that together, we can accomplish great things.

Participation in various club activities has been a cornerstone of our development. From attending our weekly classroom sessions every Wednesday at Emperor Heights, Kisubi, to engaging in impactful projects like Plant Your Balance and the Namayingo Impact Project, a medical camp that served thousands of people, we have embraced every opportunity to grow. These experiences are not just about learning; they're about making a difference. Each project we undertake brings us closer to our mission and strengthens our resolve to serve our community.

Our involvement in club projects also highlights the importance of collaboration. We've learned that global grant projects often thrive through partnerships, and we're excited to contribute to these efforts. The friendships and alliances formed during this mentorship journey will undoubtedly lead to impactful initiatives in the future. Together, we are stronger, and together, we can create lasting change. The home hospitalities for both inductees and existing club

members have allowed us to connect on a personal level. These gatherings have sparked joy and camaraderie, igniting a unique vibe that fuels our passion for service. Sharing meals, stories, and laughter has created bonds that go beyond club meetings; we are now friends and allies in this journey.

As we reflect on our journey through the mentorship program, we recognize the profound impact it has had on our lives

and our club. The knowledge gained, the friendships formed, and the new members inducted are all testaments to the power of mentorship in Rotary. We stand united, ready to embrace the future and make a lasting difference in our community.

## AMAZING ACADEMIC PROGRESS

At Kisubi Nursery and Primary, a child exceeds previous expectations of what they can achieve academically whatever their starting point. We have enthusiastic staff who provide interventions to students at no extra cost. They also undergo an intensive programme of in-service training.

## CO-CURRICULAR

At Kisubi Nursery and Primary, we equip our learners with skills that help them to be self-reliant in the ever-evolving world. This is done by equipping them with knowledge and various skills in co-curricular activities through the P.E. sessions, Cookery Lessons, Football, Volley Ball, Chess & Table Tennis which helps them to be outstanding individuals.

## CONFIDENCE

At Kisubi Nursery and Primary, a child is confident in their heritage, self-worth, unique voice and ability to make a positive difference in the world. This is made possible through; Students leadership, Weekly class assemblies and Students' voice platform.

**Rotary Cancer Run 2025:**

**Uniting for Hope and Healing**

The 2025 Rotary Cancer Run, marking its 14th edition, is set for 31st August at Kololo Ceremonial Grounds in Kampala, Uganda, under the theme "A Beacon of Hope and Unity." Organized by the Uganda Rotary Cancer Programme, this annual event unites thousands to raise funds and awareness for cancer care, addressing Uganda's growing cancer burden. Participants can join 5km, 10km, or 21km races, with registration at UGX 30,000

available at Centenary Bank branches or online at [register.rotaryugandacancer.org](http://register.rotaryugandacancer.org)

Building on past successes, the 2024 run saw over 50,000 participants across 50 Ugandan towns and 10 global cities, raising UGX 2.5 billion to fund radiotherapy bunkers at St. Francis Hospital Nsambya for advanced cancer treatment. Since 2012, the initiative has raised approximately UGX 5 billion, supporting a 36-bed

cancer ward at Nsambya Hospital, serving over 2,000 patients annually, and a blood bank at Mengo Hospital supplying 1,800 units yearly. The 2025 event aims to further enhance cancer care access, tackling challenges like limited facilities and late diagnoses, with 80% of patients presenting advanced-stage cancer. By participating, supporters honour those affected and contribute to a future with improved cancer care in Uganda.
